## About the Southern Nevada Pickleball Club

The **Southern Nevada Pickleball Club** is an affiliated organization of the Amateur Athletic Union (AAU) and is designated as a Level 3 Club. This allows the Club to be recognized as a tax exempt organization. The Club pays an annual membership fee to the AAU to maintain this status.

The Club seeks and welcomes members of all ages. However, membership is only open to those who are current dues paying members of the AAU.

The Club's focus is in 3 areas: **1)** promoting the sport of Pickleball to school age girls and boys and the creation of multiple Youth Teams that will compete locally and with teams from Clubs in other localities; **2)** encouraging the creation of Adult Teams to engage in League and competitive inter-team and inter-club play; and, **3)** forming teams comprised of those who have served, or are actively serving, in all branches of Military Service. The focus of our Veteran's Teams will be to share the sport of Pickleball as a rehabilitative activity. This program will be a team collaboration between the **Southern Nevada Pickleball Club** and the

Veterans Administration. Veteran Teams will also engage in intra-club competitive play.

**Why the AAU?** The AAU is Boys and Girls and Men and Women. It is the oldest non-for-profit organization in the world dedicated exclusively to the development of sports. Pickleball is one of 35 different sports programs that are played locally, nationally, and globally. No matter one's sport, age, or experience level, there is a place for everyone in the AAU. That can be said specifically about the sport of Pickleball, and that is why it is such a good fit.

**Why join the AAU?** The low cost of annual membership is only \$14 for Youth Athletes, and \$16 for Adult Athletes and Adult Non-Athletes.\* And, your AAU membership comes with benefits of secondary sports accident insurance if injured while competing, practicing, or participating. The coverage limit is \$10,000,000 of general liability. \*PCA (Positive Coaching Alliance)

**Getting Started:** Go to [www.aausports.org](http://www.aausports.org)

All adults applying for membership will have a background screen conducted. For an additional \$2, participants can purchase an extended benefit membership which extends coverage when participating in events hosted by organizations that are not member clubs of the AAU. For complete information about

AAU insurance coverage, visit [www.aausports.org](http://www.aausports.org)

### Why Join the Southern Nevada Pickleball Club?

- 1)** As a girl or boy under age 18 you can learn to play the best sport ever and compete in the fastest growing sport in the U.S.
- 2)** As an adult you can participate and compete on a team geared to your age and skill level and be part of growing the sport locally thru membership in an organization committed to the advancement of the sport in Southern Nevada.
- 3)** As a Veteran, you will join others to share the wholesome sport of Pickleball with those in need and with whom you also have a common bond.
